Power in hands of independents as no majority on district council

THE three independent councillors on South Somerset District Council acted as "king-makers" last week at the authority's first meeting since the recent local elections.

With there being no majority party at the council with Liberal Democrats holding 29 seats and Con-

servatives 28, the three independents of Councillors Dave Bulmer, Andrew Turpin and Tony Capozzoli can play the all-important trump cards on which group wins votes.

There have been discussions since the election on May 7th in which the two parties have been vying to gain the support of the independents, and it was the Liberal Democrats who won their back-

ing at last Thursday's meeting during the election of chairman.

The independents, led by Councillor Bulmer who represents the Jocelyn (Chard) ward, voted in favour of the Lib Dems' Councillor Mike Best retaining his place as the council's chairman ahead of Conservative member Councillor Linda Vijeh.

In return, the Lib Dems sided with the independents in supporting Councillor Capozzoli, who represents Ivelchester ward, as the council's new vice-chairman with Councillor Vijeh, member for the Neroche ward, again losing out for the Tories.

Liberal Democrat Councillor Ric Pallister was also voted back in as council leader and he announced fellow Lib Dem, Councillor Jo Roundell Greene, as his deputy.

Despite the three independents' backing of the Lib Dems in the election of a chairman, there were occasions at last week's meeting in which they proved they would not be affiliated to one party, in particular during the election of chairmen of council committees and representation on other groups.

■ **POWERFUL POSITION:** Conservatives and Liberal Democrats have been vying for the support of South Somerset's three independent councillors (pictured above from left) Dave Bulmer, Andrew Turpin and Tony Capozzoli

■ **Area committee chairmen and vice-chairmen were elected as follows:**

Area West: Chairman – Carol Goodall (Lib Dem for Ilminster ward), vice-chairman – Jenny Kenton (Lib Dem for Crimchard [Chard]). **Area North:** Chairman – Shane Pledger (Conservative for Turn Hill), vice-chairman – Dean Ruddell (conservative for Wessex). **Area East:** Chairman – Nick Weeks (Conservative for Cary), vice-chairman – Mike Lewis (Conservative for Camelot). **Area South:** Chairman – Peter Gubbins (Lib Dem for Yeovil Central), vice-chairman – David Recardo (Lib Dem for Yeovil East).

■ **THERE** was plenty of family fun earlier this month at the Dubs at the Mill Volkswagen Festival. VW fans from across the region descended on the fourth festival held at Haselbury Mill, near Crewkerne, organised by the Scrumpy Dubbers VW Club. The festival was blessed by fantastic weather to enable the large crowds to enjoy the trade stands, craft stalls, autojumble and live music. There were lots for the younger visitors to do as well with children's craft activities, circus skills and face painting. Pictured above are Lola and Millie enjoying the sunshine.

Unfortunately for Axminster, who recently finished bottom of the South West Peninsula League Division One (East), somebody failed to inform neighbours Chard Town Reserves who upset the form book with a comprehensive 4-0 victory in the Hospital Cup final under the glare of the magnificent new floodlights.

TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

SEATON New town mayor offers 'another way forward'

TONY Woodman is Seaton's new mayor after unseating Gaynor Sedgwick – despite calls for continuity and stability.

Councillor Peter Burrows nominated councillor Woodman, and Councillor Heather Sanham nominated Councillor Sedgwick.

A nomination was also made for Councillor Burrows, who declined the offer.

Supporting his candidate, Councillor Burrows said: "Tony has been a councillor for four years; he knows the town, the people and has the time. He would make a good ambassador for the town."

From the editor's chair The mayoral roundabout

THE malaise that has permeated local government in recent times was reflected to a degree at district council level with the emergence of the East Devon Alliance and 16 seats falling to independents at the recent election.

It has also manifested itself with some shock changes at town and parish council level, especially in Seaton and Honiton where controversy has been rife in recent times.

There was a sharp intake of breath among the journalistic community when we heard that one of our former colleagues, straight talking Tony Woodman, had been elected Mayor of Seaton, beating incumbent Gaynor Sedgwick six votes to five.

Tony, a relative newcomer to local government and the publisher of the now defunct *Seaton Recorder* and former *Pulman's Weekly News* editor, soon acquired the reputation of being Seaton Town Council's rebel councillor, never afraid to take on the cosy establishment

and always speaking his mind. In his early days as a councillor he clashed several times with Cllr Sedgwick, but later they seemed much more respectful of each other.

Cllr Sedgwick had a tough time when she clashed with locals over a disabled issue in the town but she survived calls for her resignation at a town meeting and continued to represent the town well as First Citizen.

When we heard that Tony had been elevated to the top job, our first reaction was: "We will never be short of a page one splash now!"

A shock result at Honiton also where Labour's Caroline Kolek unseated the long standing councillor Peter Halse, and at Ilminster Rose Neave became one of the town's youngest mayors at 29 after eight independents won seats on the town council.

No surprises in Axminster, Ottery St Mary, Chard and Crewkerne.

SOUTH SOMERSET Independents play kingmakers

EAST DEVON Independent report: Beds should stay

AN INDEPENDENT report has recommended that inpatient beds and a minor injuries unit should be maintained at all of East Devon's community hospitals.

The group of community 'stakeholders' tasked with finding a new way forward for the area's local hospital services has sent the message to health bosses that both beds and provision for minor injuries can be protected.

In its report, the Wakley Stakeholder Reference Group urges NHS chiefs to keep beds and a GP-led minor injuries service at all five of its hospitals in Ottery St Mary, Axminster, Honiton, Seaton and Sidmouth.

The group, which is made up of local councillors, doctors and League of Friends representatives, says the services can be maintained as part of an "integrated model of care".

The CCG is due to discuss the recommendations tomorrow before reaching a final decision in June.

HONITON Promise of 'fresh start' for town council

HONITON'S new mayor Caroline Kolek has promised a "fresh start" for the town council under her leadership.

Councillor Kolek said she would steer the council in a "new direction", having won the backing of fellow members in last week's mayoral election.

A full-time teacher and former parliamentary candidate, Councillor Kolek defeated serving mayor Peter Halse to become Honiton's first citizen – only the second woman to fill the post in the last ten years. Speaking to *Pulman's View*, she said she wanted to move on from the council's "huge focus" on the Beehive, and re-engage with the community.

"We have been very inward-looking during the last year – now is the time to reach out," she said.

"There are a whole raft of responsibilities that go beyond the Beehive that have been neglected. We need to reassure the town that we take all of those responsibilities seriously."

AXMINSTER No increased opening hours at library

A CAMPAIGN to increase opening hours at Axminster Library has failed.

The final hammer blow was delivered by the county councillor responsible for libraries, Roger Croad, who went on the record saying there are no plans to do so.

His statement was made in a letter after pressure group Support for Axminster Library had lobbied Axminster Town Council and MP Neil Parish for support.

The Support for Axminster Library group was formed when Devon County Council (DCC) presented plans to make a string of libraries, including Axminster, second-tier, and volunteer-led facilities without professional li-

brarians as part of a £1.5 million cost-cutting exercise.

The plan was with-

drawn but Support for Axminster Library has continued to work for improvements.

■ GOING DIGITAL: Museum volunteers and visitors with the new 'discovery pens' Photo by STEVE MONK

Museum volunteers launch new digital tour guide 'pens'

CREWKERNE & District Museum volunteers are pleased to announce the arrival of a new type of guide to the museum.

With grant funding from South Somerset District Council and a substantial donation from Ralph and Gillian Pitman, the museum has been able to purchase a set of what is known as "discovery pens".

Museum volunteer Janet Harris explained: "The pens are programmed to act as tour guide to the museum for both adults and children. They are simple to use and are activated by touching easily recognised markers in the gal-

eries.

"For the adults additional information is recorded and for the children there is an adventure to take them through the stories of the past and encourage questions and learning.

"In Gallery 4 visitors will also be able to view photographs of the town from the Victorian period by accessing individual streets on a display board. An old map of the town will help visitors to locate the streets.

"The museum is grateful to SSDC and the Pitmans for funding this project."

Rotary takes the pressure off!

MEMBERS of the Rotary Club of Crewkerne were out in force last Sunday, encouraging shoppers to have their blood pressure tested.

Members handed out leaflets supplied by The Stroke Association who, in collaboration with Rotary Clubs across the UK, organise the annual blood pressure testing sessions to raise awareness of the link between high blood pressure and the risk of a stroke.

The Conservative Club kindly donated their premises where the tests took place and Dr

Michael Osborne and his staff provided expert testers between 9am and 12noon.

Tests were conducted on a total of 75 people and six were advised to seek advice from their GP.

The Rotary Club would like to thanks to John Whitfield who organised the logistics of the event.

Pictured above is Dr Michael Osborne taking the blood pressure of Rotary president Peter Hardwill.

District council 'starting out on journey' to terminate contract of shared chief executive

COUNCILLORS have agreed to "start out on a journey" towards saving South Somerset District Council £90,000 a year with the early termination of the authority's "shared" chief executive.

The council met for the first time on Thursday following the local elections earlier this month and the first major topic for members to debate was relieving Mark Williams of his duties in South Somerset.

The council set up an agreement in 2010 with East Devon District Council about "sharing" chief exec Mr Williams and that was extended 12 months ago to run until the end of September 2018.

But Mr Williams has been so successful at South Somerset that some councillors believe that his services are no longer required with him having nurtured the authority's own senior management team to step up and take over his role.

A report has said that the compensation required for South Somerset to pay East Devon for the early

termination of Mr Williams' contract will be £112,333.

But the new Conservative group leader at South Somerset, Councillor Tim Inglefield, was not entirely convinced that the authority should go ploughing ahead with the contract termination.

He said councillors did not "have enough information to come to a view and find it difficult to ascertain."

Councillor Inglefield said that he would want the issue deferred until further details were known.

But council leader, Councillor Ric Pallister, said it was crucial to "set off on a journey" and start discussing with their colleagues at East Devon.

"We need to start discussions with East Devon," he said. "The full financial implications won't be known until we have these discussions. I'm not pushing anything hard now, but we just to start the discussions."

"If we need to make savings – we need to look at contracts we don't necessarily need."

He said that by terminating the contract with East Devon and managing the chief executive role from within would save South Somerset around £90,000 a year.

"We don't want to go out and get another chief executive officer and spend shed loads of money," said Councillor Pallister. "We have the senior management team here to make that transition."

Although it was eventually decided – not unanimously – to go ahead with discussions with East Devon about terminating Mr Williams' contract early, there were some sharp exchanges between the Liberal Democrats and Conservatives.

It was queried by new Tory member Councillor Neil Bloomfield as to why the council needed to make more savings, when it had already agreed savings at its budget setting meeting earlier this year.

But Lib Dem Councillor Sylvia Seal said: "We are playing games here. You've got to be dim as dishwasher if you don't think we will have to make savings in the coming years."

That prompted Conservative member, Councillor Derek Yeomans, to say that the "atmosphere had changed" for the worse since Councillor Seal's outburst.

Councillor Pallister stepped in to say that on occasions political views had to be put aside and the authority needed to work together – with this being one occasion.

"We need to work together on this," he said. "If we don't want to do that – find a new leader."

Councillor Inglefield added: "I believe we can work together on this."

Council chief meets the locals on trip to Ilminster

THE chief executive of Somerset County Council, Pat Flaherty, was in Ilminster this week meeting with local people to talk about their local concerns.

Mr Flaherty arrived in the town at the invitation of Ilminster's county councillor Linda Vijeh, after he had said that he was keen to meet people face-to-face to discuss various issues.

Among those who attended the meeting were Councillor Sue Osborne, who represents the nearby Windwhistle ward at South Somerset District Council, and representatives of Ilminster Town Council, the Chamber of Commerce and local parish councils.

In order to help understand and overcome the confusion that exists between the different responsibilities of county and district, Mr Flaherty outlined the key areas under County Hall control, which include highways, the safeguarding of children, school planning, adult social care, waste disposal, public health, libraries, public transport and economic development.

He also mentioned that the county council budget, excluding money earmarked for schools, had been reduced by £100million in the last five years and was now down to £300million – with the result being cuts to some services.

Councillor Vijeh said: "As might be expected, highways came high on the list of topics for discussion, where Ilminster businesses remain very concerned about the impact of continued road closures, along with issues in relation to flooding caused by blocked and broken drains, and parking within the town. "Those living in outlying communities also

raised the impact on small businesses of the roll out of superfast Broadband.

"Speeding, and the impact of increased HGV traffic in the village of Donyatt, was also raised, where the expectation is that, although due to the nature of the through route options are limited, consideration could be given to looking at available options."

Before leaving for a lunch of fish and chips and chocolate mousse with pupils of Neroche Primary School in Broadway, followed by a tour of the division, Mr Flaherty reiterated his promise to look into the issues raised and respond by the middle of June.

Councillor Vijeh added: "Whilst we can accept that Pat may not have the answer to everything at his finger tips, I think that everyone welcomed the opportunity to be able to meet him and to be able to raise those local issues that can have an effect on the daily lives of all of those who live and work here."

"I am confident that he has taken everything on board and will deliver on his promise of responding in a timely manner. We have all accepted that in most cases regular up to date communication is the key to satisfying residents' expectations."

Holyrood Academy pupils make trip to Poland for WWII studies

■ Student from Holyrood Academy meet a Holocaust survivor. Above, the group at the last remaining section of the Krakow Ghetto wall

A GROUP of more than 20 students from Holyrood Academy in Chard were given the rare opportunity last month to visit Poland's Auschwitz I and Auschwitz II, otherwise known as Birkenau.

2015 is a particularly important year in the history of the Second World War, as it is the 70th anniversary of the liberation of the camps by the Red Army. These two museums were part of the Nazi's Final Solution camps where upwards of 1.1 million people died.

The group visited the Galicia Jewish museum where they met with a Holocaust survivor, and the former factory owned by Oscar Schindler, of "Schindler's List" fame,

which is now a museum dedicated to the events of the Holocaust and WWII in Poland.

Students also explored the city of Kraków, visiting the Wawel Hill area, Kazimierz (the Jewish Quarter) and Podgorze, where the only original part of the Kraków Ghetto wall remains.

Allison Foster, teacher of religious studies at Holyrood, said: "The visit proved profoundly moving for all and the students have since been keen to talk about this experience with friends and family."

"As time passes it is increasingly important that people visit to witness the camps and to pass that knowledge on so that the terrible events are not forgotten."

Quick reponse from crew at Chard oven fire

FIREFIGHTERS quickly dealt with an oven fire in Chard on Monday, May 11th.

A call came in about a fire in a High Street property at about 5.40am, and a spokesperson for the fire and rescue service said: "Upon arrival crews confirmed smoke issuing from fire in an unattended oven."

"Crews set to work to extinguish the fire using four breathing apparatus and two hose reel jets. Crews also ventilated the property. The cause of the was accidental."

A rootin' tootin' send off for Rotary president

■ DRESSED TO IMPRESS: Denise Barlow and Linda Piggot-Vijeh

PRESIDENT of the Rotary Club of Ilminster, John Wood, and his wife Bev, welcome more than 60 guests to the Shrubbery Hotel to celebrate the end of his year in office.

The event was organised by president-elect Linda Piggot-Vijeh with a Wild West theme, and many guests dressed as cowboys and indians. Past-president Terry Bate set the scene for less formal Rotary celebrations last year, moving away from the traditional black tie function the year before with her calypso themed event.

This year, the hotel's function room was completely transformed with Stetsons, hay bales provided by local farmer Maurice Brunt wagon wheels, a Bourbon

punch and hog roast provided by Ilminster's award-winning butcher Bonners, and silent screenings of John Wayne films during the evening.

Entertainment was provided by country and western duo, West Country, along with a surprise performance by seven aspiring actors from Make Theatre, who put on an hilarious radio sketch based on a Rotary president who had run away to the Wild West, taking his chain of office with him.

Guests were so impressed by the youngsters that a hastily organised whip round and raised £100 in support of the activities for this social enterprise, led by Horton resident Sophy Layzell.

To round off the evening, the outgoing

president, who celebrated his birthday on the same day, was presented with a highwayman-theme cake.

At the end of the evening president-elect Linda said: "This certainly was an event with a difference and such a lack of formality is something new to our Rotary Club."

"What I am hoping we will be able to do in the coming year is to hold a range of events and functions that will have appeal beyond our traditional membership to encourage younger people to take part."

"We really do want to concentrate on continuing the excellent community activities that have been our key focus this last year."

'Antiques Roadshow' expert to entertain at Rotary dinner

BBC "Antiques Roadshow" expert Eric Knowles will be speaking for the Rotary Club of Ilminster at a dinner on Tuesday, June 23rd. Before dinner, Eric will give an "on the hoof" valuation session when he will examine, identify and value items brought in by guests. Those who wish to bring items to be valued must buy a minimum of six tickets for the event. After a two-course dinner, he will then entertain the audience in his own irreverent way with a unique

blend of anecdote, reminiscences and wicked wit, drawing on many years experience as auctioneer, antiques dealer and TV personality.

The dinner will be held at Haselbury Mill, near Crewkerne, at 7pm for a 7.30pm sit down. Tickets cost £20 including a two-course dinner, and are available from Deryk Outram by calling 07836 332 578 or alternatively email deryk@doconsulting.co.uk. Proceeds will go to international Rotary charities.

Art group receive lecture on Spanish painters

HILARY Hope Guise demonstrated fascinating knowledge and research in her lecture to members of Neroche Decorative and Fine Art Society on "Spanish Fire – El Greco and Picasso".

A basic premise of the lecture was that Spanish art is different from that in the rest of Europe, developing in a land where the Pyrenees act as a barrier to wider ideas and styles and where North African Muslims had strong cultural influence, having occupied the Iberian peninsula for nearly 900 years.

In a very personal interpretation, Hilary highlighted the striking individual styles of El Greco and Picasso and the influences that shaped them, but also compared

the two artists, finding many style similarities in their work, despite the fact that they were born more than three centuries apart – El Greco in 1541 and Picasso in 1881.

This thought provoking lecture at Dillington House was attended by more than 100 society members and visitors.

Packed programme for Hinton village fete

THE annual Hinton St George village fete will be held on Sunday, July 12th from 11am to 4pm and once again West Street will be adorned with bunting to welcome its visitors.

Organisers of the fete are putting together a day packed with stalls, events and activities for all ages to enjoy.

The performance last year by the Phoenix Brass Band was so well received that they have been booked again, kindly sponsored by The Reading Room Trust.

A new event will be drumming workshops led by Organic Rhythm throughout the day, giving everyone a chance to join in and sponsored of All Glass & Glazing.

Nathan Wilkinson, chairman of the fete committee, said: "One of the real successes of last year was the involvement and contribution made by all the village groups and once again the response has been fantastic and we have a great mix of events and stalls lined up."

"The 2014 village show was a huge success with 20 entries in the 'Great Hinton Bake Off' category. This year the title is 'A cake for Afternoon Tea'. We really would stress that the village show is not about growing prize-winning leeks or making perfect cakes and handcrafted items, it is about everyone being involved and Hinton is certainly doing that!"

For further information, or if you would like to have a stall, contact Nathan on 01460 271 477 or email nrwilkinson@hotmail.com

All smiles at Neroche Playgroup

CHILDREN at Neroche Playgroup were excited to receive a visit from county councillor Linda Vjeh this week, who donated toothbrushes and tooth paste to the tots to mark National Smile Month.

Councillor Vjeh said: "I had attended a meeting of the Early Years Partnership earlier in the week and on the same day was astonished to hear on the news that as many one children in four under the age of five are likely to end up in hospital as a

result of tooth decay."

As a result she decided to buy toothbrushes and paste for the children at Neroche Playgroup, and is now in contact with other local playgroups in her area and hopes to provide all children under school age with the same basic equipment.

"For a fairly small outlay this is an important way in which a real difference can be made to their health and wellbeing," she said.

Horton congregation 'beat the bounds' for Rogation Sunday

THE congregation of St Peter's Church in Horton recently took part in an outdoor Rogation Sunday walking service.

A common feature of this ancient service is the ceremony of beating the bounds, in which the parishioners, led by the minister and church wardens, proceed around the boundary of the parish to pray for its protection in the forthcoming year.

During the service, in addition to prayers for the church community, readings and hymns reflected the farming nature of the village, along with those who live there, employment, the rural

economy, the hospitality provided by local pubs, and also for the holidaymakers who enjoy coming to the area.

Among those attending the serviced was county councillor Linda Vjeh, who commented afterwards: "It is these services which really bring home the importance of our surroundings in shaping the way we live in a rural area and is, I believe, one of the main reasons that so many people choose to make this beautiful part of the country their home. It is something we should all be thankful for."

■ SOUTH SOMERSET LETTERS

Councillors thank residents for their support in election

■ I WOULD very much like to thank the villages of Ashill, Broadway, Donyatt and Horton who turned out on election day to show their support for me.

I am especially pleased that we had one of the highest turnouts at 77.79 per cent and I am thrilled that after representing Neroche ward as their district councillor for the last 12 years that local residents feel I have done a good enough job to continue.

I would not have been able to do my job without the support and co-operation of others in these four villages who tirelessly, and without pay, put themselves forward to play an active part in keeping their community

alive and thriving when faced with some challenging economic and social issues.

I may not always get it right but I will promise to keep trying, and continue to offer my services and advice to all of those who need it, every day of the year.

I firmly believe in being involved in all of the many great activities that take place, and that make the area such a great place to live, and I really do enjoy quiz nights, jumble sales, theatre performances, community meals, flower shows and even duck races!

*Councillor Linda Vijeh,
South Somerset District Council*

■ WE wish to thank the people of Crewkerne and Misterton for re-electing us to the district council.

We are looking forward to the challenges of the next four years. We will make sure we are a strong voice for our area wherever we can, and will work hard on your behalf.

If there is any specific issue you wish to discuss in person there will always be a district councillor available

on the third Thursday of each month at the same time as the town council surgeries in the Town Hall, Market Square.

Alternatively, we are available by phone or email and those details can be found on the district council's website.

West of England Laser Centre

Q. I HAVE a mole next to my nose which I have often thought about having removed. I am going on a cruise in August to celebrate my 50th wedding anniversary and wondered if I would be able to have the treatment before then?

A. Yes, you have plenty of time to have this treatment before your cruise. Initially you would need to come for a Consultation with our Surgeon on a Monday evening or a Wednesday afternoon at the Nuffield Hospital in Taunton. You can make an appointment by telephoning 01823 331773 or by emailing lasercentre@lineone.net. Following the consultation we can book you in for your treatment, usually within a couple of weeks, if you wish to go ahead.

Q. I have always wanted to have this done .. but always been a little nervous how painful is the treatment?

A. Please do not be nervous, this treatment is very painless and straight forward. Our Surgeon will inject a small amount of local anaesthetic into the area prior to treatment. The laser is very precise and targets only the mole itself and does not affect any of the surrounding skin. When the anaesthetic wears off you may feel a slight discomfort or stinging, this is fairly mild but if you do wish to take paracetamol this will help.

Q. During the cruise I will be exposed to the sun, will I still be able to do this following treatment?

A. We would always recommend using a high factor sun cream whenever you are exposed to the sun, especially on the treated area. You would need to wait 2 or 3 weeks for the skin to be fully healed before you go into the sun but the high factor sun cream will not only protect the more sensitive, treated area but will also help prevent further sun damage.

Beauty Spot or Mole?

Some moles are more attractive than others, if yours is bothering you, why not have it quickly and painlessly removed by laser?

Val Davis Traditional Acupuncture

Acupuncture can improve and maintain health and energy and enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, your health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other nagging problems resolve as your main health complaint improves.

Light Therapy

DURING a treatment, an eye mask, containing diodes of red and blue light containing quantum and solfeggio frequencies, are placed over the eyes. This induces a very relaxed or meditative state

Other pads of Red and Infra Red light are placed on the body. The aim is to switch the nervous system from the active sympathetic to the restful parasympathetic state, allowing the self heal abilities of the body to be activated at a cellular level.

Relaxation is important for health since stress is now recognised as one of the main contributing factors in many of the serious illnesses that are common to day. If you have any of the following symptoms, you may be suffering from stress:

- Headaches
- Aching muscles
- Poor quality sleep
- Feeling anxious or overwhelmed
- Poor digestion
- Irritable or bad tempered
- Lethargy or lack of concentration
- Panic attacks

I offer treatments for adults and young people at The Axminster Health and Wellbeing Centre.

I am also an approved trainer for Light Therapy and offer training to therapists, body workers, counsellors, yoga and meditation teachers.

I look forward to meeting you at The Garden Party or you can contact me at karenhodder@btinternet.com

Body Ease The Alexander Technique

'You translate everything, whether physical, mental or spiritual into muscular tension'

F.M. Alexander (founder of the Alexander Technique)

FREE TASTER SESSIONS DURING JUNE
IF YOU suffer with pain in your back or neck (or anywhere in fact) the Alexander Technique can help.

As young children we use our bodies with poise and ease. As we grow older, with the various stresses and strains that life inevitably brings, we start to 'mis-use' ourselves which becomes a habitual pattern. 'Mis-use' means we use too much muscle tension and so we become very inefficient in all our movement. Over a long period of time repeated mis-use can cause fatigue and pain.

Lessons in the Alexander Technique teach us how to stop using too much muscle tension in our everyday activities and the purpose of the Alexander Technique, which is an education process rather than a relaxation technique or a form of exercise, is to help people unlearn the habitual tension patterns and return the body to a balanced state of poise, ease and alignment, as we were in childhood. The body now feels 'at home' and everyday tasks become effortless, the mind becomes clear and our whole being becomes balanced.

Jodi has been working with horses for 25 years and specialise in teaching riders, although, of course, will teach anyone who would like to learn the Technique.

Linda Perry Podiatrist/Chiroprapist

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton on Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

East Devon Sports Therapy

Slimming World

Eleni Markante

Success is in the bag for fundraising slimmers

THEY are used to losing hundreds of pounds but now big-hearted slimmers in Honiton have turned their attention to raising them.

Members of the Slimming World group collected 67 bags of clothes they've successfully slimmed out of to raise money for Cancer Research UK as part of the national fundraising campaign, the 'Big Slimming World Clothes Throw'.

Also, the rest of the Slimming World Mid & East Devon team have been encouraging members to do the same and between the groups in the area have collected around 450 bags which could equate to around £13,000 for Cancer Research.

Sharon, who runs the Honiton group, encouraged members, their friends and families to collect the clothes, shoes and accessories they no longer need to generate stock for Honiton Cancer Research UK shop.

Sharon says, "This year's Big Slimming World Clothes Throw event has been a fantastic success and I was overwhelmed by the amount of bags my members managed to collect for Cancer Research UK – they really are amazing! It was a fantastic atmosphere in group and it was so rewarding to raise such a phenomenal amount of stock for such an incredible cause."

"Because my members are so sure they'll never need their 'big' clothes again, when I told them about the Big Slimming World Clothes Throw they couldn't wait to bag them up and donate them to charity. Members of the group are losing amazing amounts of weight since January this year simply by making small changes to the way they shop, cook and eat and by becoming more active. But the best thing about our group is the caring support members give to each other, spurring each other along and sharing recipes and tips every week."

"The Clothes Throw is a perfect opportunity for all of us to celebrate our success, inspire other people and raise money for charity at the same time. There is also a more serious side to our support for Cancer Research UK however: one in two people are diagnosed with some form of cancer during their lifetime, and being overweight can increase the chance of developing the disease. It is vital we spread the message that healthy eating, being physically active and losing weight by adopting healthy habits all help reduce the risk of developing cancer."

The clothes collected by Slimming World will be donated to Cancer Research UK shops across the country, with each bag raising up to £25 for the charity. Last year slimmers collected close to £1million worth of stock for Cancer Research UK shops around the country and they're

hoping to beat that total this year. All profits go to support the charity's life-saving work to help beat cancer sooner.

The Cancer Research UK shop in Honiton says: "We were thrilled to receive such a huge donation of clothing from the Honiton Slimming World group. It's wonderful to be able to help celebrate the amazing weight losses and the improvements to health that Slimming World members achieve. The fundraising partnership between Slimming World and Cancer Research UK has been hugely successful – as well as raising funds to help us bring forward the day 200 types of cancer are cured, it's vital to raise awareness of how adopting healthy habits can help people reduce their risk of developing cancer."

Anyone who'd like to lose weight and join Slimming World is welcome at the Honiton group, which meets every Tuesday at 5.30pm or 7.30pm and every Wednesday at 9.30am. To find out more visit www.slimmingworld.com or call Sharon on 07963337178.

East Devon Sports Therapy is extremely proud and excited to announce that they now offer even better rehabilitation using their new Alter-G anti-gravity treadmill. This is a NASA designed and patented piece of equipment allowing clients to start partial weight bearing exercise a lot quicker than conventional methods. The device can take your body weight down to 20% of its norm allowing knee replacements, ankle sprains, arthritis, muscle strains and many more ailments to exercise pain free with minimal impact to the joints, enhancing and speeding your recovery and well being to the max.

RS Footscan

This system offers analysis of walking and/or running over our footscan mat with over 4000 sensors embedded into it to gain in depth analysis of your foot positions, pressure and force distributed during the motion, in both 2D and 3D. The advanced software allows automatic division of the foot into specific regions.

This allows force and pressure distribution within these areas to be analysed and associated with certain foot mechanics and functions. Force & pressure distribution in all regions of the foot can be analysed in graphical format, allowing insight into force & pressure in both localised and general areas under the foot during the stance phase. Once this information is achieved we are able to prescribe custom made orthotics to suit your individual needs.

New Conservative MP celebrates victory

NEW Yeovil MP Marcus Fysh enjoyed a celebratory party with jubilant constituency Conservative Association members at the Shrubbery Hotel in Ilminster.

More than 40 Conservative members from the Yeovil constituency gathered on Friday for the first

time on since the General Election, which saw Mr Fysh defeat long-time Liberal Democrat MP David Laws.

The Yeovil Conservative Association said they were thrilled at his victory – the first time in 32 years the Tories had won the seat.

Those who had been involved in the campaign mentioned how exciting the night of the count had been as it became clear that Mr Fysh was going to win.

Association chairman Paul Bradley said that the victory was down to a “magnificent team effort” of all supporters who had worked tirelessly in the campaign, delivering leaflets, canvassing and fundraising.

President of the association, Terry Bate, thanked everyone who had supported Conservative efforts over many years, and as a heartfelt thank you presentations were made to key volunteers.

Mr Fysh’s campaign manager, Louise Parry, was also congratulated on her sterling efforts.

At this first meeting in the constituency since being elected, Mr Fysh thanked everyone for their support in helping him to achieve such an extraor-

dinary result.

He also told the assembled audience that in these first few months he intends to set the scene for the coming five years, along with facing the challenge of setting up his office team to handle the correspondence that had already been “flooding in.”

Mr Fysh said that he felt humbled by the responsibility put upon him in representing the constituency.

Awards were also given for branch fundraising efforts and the new association chairman, Richard Dale, was appointed.

In setting out his plans for the coming year he said that he would use his business skills and ex-

Desert to Jungle

Exotic and large plants

"DESERT to Jungle", at Henlade, Taunton, is not your average garden centre.

Owners Rob and Dave have created an oasis of exotic looking plants with which you can turn your garden into a taste of your favourite holiday destination. Be it the tropical Caribbean, the

colourful yet dry Mediterranean, or even the Arizona desert, there are plants to suit at the nursery.

But here is the best thing of all....nearly all of them are hardy in an English winter!

Owners Rob and Dave are passionate about their nursery and are a mine of

knowledge and guidance as to the most suitable plants for the look you want and the budget you can afford.

However the nursery is not just exotics. There is a large range of "bigger than average" plants, and

bamboos, particularly useful for an instant effect, of if you want to screen off your neighbours garage or extension, or just cannot wait for your garden to grow."

Wide range of hardy ferns and tree ferns.

Exotic and Large Plant Centre

Bamboos, Tree Ferns, Palm Trees and many more fantastic plants to give your garden the feel of your favourite holiday destination.

Green Shutters Nurseries

GREENSHUTTERS Nurseries & Garden Centre is a family run business nestled in the heart of the Somerset countryside. It is open 7 days a week and stocks an extensive range of plants. The Garden Centre has completely changed in the last few years with the layout being completely re-designed. There are new entrances from the road and into the Plant Area and the old-fashioned wooden greenhouse has been restored to its former glory with its bright, white painted wood. Most of the plants are now on tables so you don't have to bend down to look at them and the layout has been designed to make the walk around the plant area enjoyable.

This year Greenshutters Garden Centre is stocking a much larger range of herbaceous perennials and roses, including new and unusual varieties. There is also a new range of quality garden benches dotted among the plants, so you are welcome to wander around the garden centre and take a rest as you go. You can even sit and enjoy the view over Taunton Vale and the Quantocks.

The business also incorporates

EVERGREENHEDGING.co.uk, one of the largest stockists of evergreen hedging plants in the country. Thousands of plants are grown every year on the nursery from small to large, mature hedging plants; the best sellers being Laurel, Leylandii, Photinia 'Red Robin' and Portugal Laurel. These are delivered locally or nationwide or can be collected from Greenshutters Nurseries and Garden Centre.

Greenshutters is run by Dr Roger Eavis, who bought the nursery in 1998 and the business has grown steadily every year since then. "We pride ourselves on good customer service and advice, good quality plants and I hope we have created a pleasant place to wander and enjoy the plants," says Roger. "We have a great team of staff who are always willing to help and give advice". Greenshutters Nurseries and Garden Centre is well worth a visit.

For more information visit their website at GREENSHUTTERS.co.uk or follow them on Facebook at Facebook.com/GreenshuttersGC.

Little Groves Nursery

LITTLE Groves Nursery is now bursting with colour with all the Summer bedding in stock. There's everything you need for which ever style you like, be it bold and bright, cool and dainty or more traditional. We also have all you need to get started with tubs, baskets, ceramic pots and troughs, as well as composts, feeds and fertilizers to keep them looking nice. If you're not sure what you're doing, that's no problem! Our friendly staff are always on hand to help and advise you.

Folk pioneers raise the roof at South Petherton

ALTERNATIVE-FOLK superstars Gadarene play their uplifting brand of dance-influenced grooves at the David Hall, South Petherton on Sunday, June 7th.

If you fancy dancing your socks off to one of the most innovative groups around, this is definitely the gig for you!

Gadarene use dance music from the ancient traditions of England and fuse it seamlessly with modern styles of all genres. Their sound will take you from Dub and African influences, through Jazz to Rock and Funk via Swing and Step Dance!

Tours in the USA and some great spots at British festivals led to their music being described as 'a hugely bold sound, it's a sound that refocuses the genre, a new relevance that's be-

yond tradition.' (Dave Henderson, MOJO) and 'if you're planning a folky rave, this is the music you need!' (Bright Young Folk).

After a fabulous critical and audience reception for their 2012 album 'Volume One: 1694-2011', Gadarene have spent their time refining their groundbreaking style and dusting off old manuscripts to find more gems of ancient melody.

The event will feature the filming of a new live video by the band, so book now to ensure your place in the audience! 'Hear good music, get immortalised!' (fRoots). This is a great opportunity to see the band up-close and personal.

Band member Laurel Swift (Morris Offspring, Under Her Skin) says: "we're really looking forward to it because some of these tunes have literally not been played for 200 years! We play our best when there's a live audience so this is a brilliant opportunity to capture that unique live vibe on disc and film!"

Doors open at 7.30pm and tickets are £11, and can be booked from the David Hall box office and online.

Window on the World

'WINDOW on the World' is a group exhibition by members of the South Somerset Embroiderers' Guild, exploring the boundaries of textile techniques.

The selection of work for this show introduces new ideas with experimental use of new and unusual materials. This will be a feast for all who have stitched, can stitch, do stitch or who are thinking of taking up stitching!

The South Somerset Branch of this National Guild is 38 years old and still has some of its founder members who are well known in their field and regularly exhibit in galleries all over the country. The work they will present to Ilminster viewers is exciting, varied and combines methods traditional and experimental.

There will be a special 'Meet the Artists' event on Sunday, May 31st, 3-5pm. All welcome. This will be a wonderful opportunity to meet the artists and to discuss their work with them. The exhibition opens Monday, June 1st until Saturday, June 13th, 9.30am-4.30pm Monday to Saturday, and 9.30am-2.30pm Saturdays. Admission free.

Simon Watterton piano recital

ST. ANDREW'S Church, Colyton was nearly full on Sunday, May 3rd for a piano recital by Simon Watterton. Simon has played in the area a number of times over the last 10 years, and this was in connection with birthday celebrations of three local musicians.

The programme was constructed around the idea of fantasy, featuring three major works: Mozart's C minor Fantasia, Schumann's Phantasistuck, Op 12 and Beethoven's last piano sonata, in C minor, Op 111. There was also a small piece by Liszt and three arrangements, by Ferruccio Busoni, Percy Grainger and Nicholas Brown, of works by Bach.

One comes to expect concert pianists to be technically perfect, and no-one could have been disappointed in this regard, but Simon's playing also had great command, authoritative in the dramatic first movement of the Beethoven, and plumbing new depths in the second. The rapt attention of the audience was apparent as the music surrendered itself into silence at the end.

This was a concert that many will remember for years. "Amazing," "astonishing," "something else," "epic," were descriptions being voiced afterwards. We look forward with great anticipation to Simon's next visit.

Coast Path exhibition from Devon printmaker

DEVON Guild Member and printmaker Anita Reynolds walked the 630 mile South West Coast Path from Minehead to Poole throughout 2012, 2013 and 2014, producing drypoint plates each day, and will bring an exhibition of her work from this time to Colyford.

This exhibition, 'Outline South West Part 2', consists of the final thirty daily prints from the south coast and some larger works created throughout the project,

alongside sketchbooks, photographs, maps and educational material.

The journey along the southern stretch of the coast path has given her the opportunity to collaborate with South West based artists Philippa de Burlet ceramicist, Carol Timms feltmaker, Caroline Parrott aluminium artist and jewellery maker and Richard Povall sound artist who have created their own responses to the landscape as part of the project.

Postcards from the Path.

The exhibition comes to Colyford Memorial Hall on Saturday, May 30th 11am-4pm, and Sunday, May 31st 11am-3pm. Admission is free, and works will be available for purchase.

The exhibition will launch with sandwiches and refreshments at 1pm on the Saturday, all welcome.

31st Season of Music at the Minster

THE Axminster Lunchtime Concert Season has now been going for an amazing thirty one years and provides a much needed platform for local artists to perform a whole variety of styles of music, from classical through to more light-hearted programmes.

"It is a great joy for me as a former professional musician to see so much high quality music taking place at the Minster", says Reverend John Streeting, Rector of the Axe Valley Mission

Community. "We are particularly pleased to offer an opportunity to the many extremely talented younger artists in our area. Our thanks go to all who give of their time and talents both on stage and off – and to our audiences who provide much needed revenue for the upkeep of our beautiful Grade II listed building, which has benefitted from extensive re-decoration and repair work recently. I am confident that this season will be every bit as successful as those in the past and

I look forward to welcoming you at the concerts throughout the summer".

The concerts are performed in the Minster at 12.30pm every Thursday lunchtime throughout the summer. The Sidmouth Music Club Orchestra will provide a fitting finale to the season on 15th October with a rousing orchestral concert. Admission is free and a light lunch is available. All donations are in aid of the Minster upkeep. For further details contact 01297 598213.

Axe Vale Light Opera Company 2015 Summer Songs and Supper

AXE VALE Light Opera Company is delighted to present for your enjoyment a summer evening of song with a light supper. This year the repertoire has been expanded to include our favorite composers Gilbert and Sullivan but also more contemporary music, and will feature songs from Joseph, Les Misérables, Simon and Garfunkel, Shrek and Godspell.

The evening will start with a light supper and then progress on to the first half which concludes with a rallying call from the finale of Les Misérables when an intermis-

sion will be held for a raffle and tea and coffee followed by the second half which will conclude with a Medley from Tim Rice and Andrew Lloyd Webber's Joseph and the amazing Technicolor dreamcoat.

Performing in Seaton since 1953 when they performed the Mikado, the Society have continued to perform each year, however with falling numbers there is always the call for new members, and it is the hope, says Michelle Hague (Chairman), that by expanding the repertoire of the company we will be able

to encourage new members who will feel more comfortable with the familiarity of the music and songs. This has been enabled in no small part by the new MD Claire Browne who has taken up the baton, as well as being a solo performer. Claire has coerced and encouraged AVLOC throughout the rehearsals and her keen ear and high standards has meant the occasional change of plan, but at last we have a show we hope you will all enjoy.

This year performing for the first time in the main hall

at the Methodist Church, SEATON. We can promise something very different from our previous productions, there is something for everyone, for the young and old, traditional and more contemporary. The Supper will be served at 7pm and the performance starts at 7.30pm Tickets are available from Steve's Print or call 01297 23491 for more information. Anyone wishing to join us, please contact Michelle Hague 07761773563 or June Millman 01297 23491 all ages and voices are welcome.

THE Old Inn at Kilminster will host their 7th Annual Beer festival this Saturday, May 30th.

Food is available from the standard pub menu at lunch time but the evening will see the lighting of the Best of The West BBQ with Nathan cooking off his acclaimed burgers and seafood kebabs. The pub has recently been awarded a second gold from taste of the West so

this will prove to be a great night for foodies as well.

Beers this year come from brew-

Little Picnic

eries across the region with pride of place reserved for the Branscombe Brewery's The Harbinger at 9.2% - top of the tree strength wise and a new brew from The Branscombe brewery. Maybe just a half!

The pub is on the A35 and has a large car park supplemented with an adjacent overflow car park. For more information contact 01297 32096.

Chamber Choir Concert

AXMINSTER Chamber Choir will perform an afternoon concert in aid of All Saints Church on Sunday, May 31st. Proceeds from the concert will go towards the restoration of the church bell, which has been out of action since its rusted clapper fell out several years ago. "We are a small community, so fundraising is a struggle, but the church is right at the heart of the village" said churchwarden Christine Galvin. She added: "Restoring, and being able to use the bell, will allow us to broad-

cast our presence, once again." "The choir is so grateful to All Saints Church for providing us with a rehearsal venue whilst its usual home was closed for redecoration," said Judy Martin, director of Axminster Chamber Choir. She added: "Performing a fundraising concert is a really practical way for the choir to express its thanks." The concert begins at 3pm in All Saints Church, and tickets, costing £10 (including refreshments), will be available at the door.

Farce on the way

AXMINSTER Drama Club are currently deep into rehearsals for their latest show *Cash on Delivery*, in this their 70th year. *Cash on Delivery* by Michael Cooney is a farce centred around Eric Swan who, unbeknownst to his wife Linda, has been defrauding the DSS by claiming benefits for an army of fictitious lodgers, all of whom suffer from a variety of ailments.

As we join The Swan household, we find that Eric, having found life far too complicated, has decided to extricate himself by killing off his make-believe tenants. This involves killing off one Norman Bassett, which is a surprise to Norman's fiancée Brenda and something of a shock for Norman!

However just as things seem to be falling into place for Eric he is visited by DSS Inspector Mr Jenkins, which leads to an orchestra of mistiming, mistaken identities and hasty inventions involving a drunk council official; a mad mother who eats wall paper; two corpses; one deaf piano tuner; one lumberjack; several cross dressers and a very temperamental washing machine.

Axminster Drama Club are very lucky to have an amazing cast for this production, including 'Calendar Girls' alumni Tracey Wakeling; Carol Shute; Eileen Stuart and Mike Spellar. 'Neville's Island's' Simon Hurst and Ian Craig. As well as popular ADC stalwarts Caroline Markham; Tim Leat; Grant Jones and Marcus Wood. Production Dates are Thursday 18th, Friday 19th and Saturday 20th June and tickets (£8 in advance, £10 on the door) are now available from The Archway Bookshop in Church Street, Axminster or by telephone after hours: on (01404 831089).

Rebel Town celebrates and re-enacts historic past

DEVON'S 'most rebellious town' will host a historical re-enactment to commemorate those events some 330 years ago when more than 100 men from Colyton took part in the famous Monmouth Rebellion of 1685.

The Taunton Garrison, as the King's Militia, will be the highlight of the day and will appear in full costume. The exciting full day's programme will begin with the Colyton Town Crier opening the craft and country market at 10.30am, followed by Rebel Rousing and proclamations by the King's Militia. Colyton Market Place and the grounds of St Andrew's Church will be the scene for pike & musket drill, flag flourishing, music, dancing and entertainment.

A special brew 'Rebel Rouser Ale' will be available in local shops and also on draught in the Gerrard Arms in Colyton during the event weekend. This beer was

brewed by Gyle 59, a local craft brewery situated North of Axminster. Gyle 59's Sales and Marketing Director Amanda Edwards commented: -

"I live in Colyton with Jon,

Head Brewer and founder of Gyle 59, and when we heard about the Monmouth Rebellion event we wanted to get involved in some way. We suggested a commemorative ale and we were delighted when this was met with enthusiasm from the event organisers."

Rebel Rouser is a traditional English bitter brewed using spring water and

natural ingredients and would not have seemed out of place on the table of a Monmouth rebel. Look out for the striking bottles with the emblem scroll on red labels and matching red bottle tops!

Promote Colyton group will be donating any proceeds from the event to not-for-profit groups in the town and with this in mind 10p from every bottle or pint sold will be donated by Gyle 59.

▼ The commemoration in Colyton of the Monmouth Rebellion will have its own special beer. Organisers have worked with Thorncombe-based brewery Gyle 59, and the result is Rebel Rouser - capable of refreshing "even the weariest rebel". Pictured left to right are: Simon Ford (rebel), Amanda Edwards, Emma Turner, Jon Hosking (all Gyle 59) and Roger Bagg (rebel), sitting down is rebel Karen Pledger.

A trio and two rising stars

MULTI-AWARD winning jazz pianist Dave Newton returns to the Ilminster Arts Centre, with his trio, but this time also accompanied by two London-based players with growing reputations: sax player Andy Panayi and trumpeter Percy Persglove. Together this quintet will bring some sensational, swinging mainstream jazz to

Dave Newton

this corner of Somerset.

Dave Newton is a virtuoso pianist and his concerts at the Arts Centre are always extremely popular - hardly surprising since Dave has been voted best Jazz Pianist in the British Jazz awards no less than thirteen times! His accolades also include being made a Fellow of Leeds College of Music in 2003. His piano style has been described as 'urbane and resourceful', 'sophisticated' and 'sumptuous'.

Andy Panayi is a baritone sax player, who made an impression when he played at the Arts Centre two years ago with Karen Sharp; he has also performed with the likes of Dame Shirley Bassey, Paul McCartney and Helen Shapiro, as well as John Dankworth and Cleo Laine, and

Humphrey Lyttelton.

A graduate of the Birmingham Conservatoire, trumpet player, Percy Persglove is a name to watch on the UK jazz scene. As a scholarship student, studying Jazz & Contemporary Music at New York's New School University, he performed with The Coltraine Ensemble and the Duke Ellington Orchestra at Birdland, as well as the Rene Marie Big Band. He is much in demand as a freelance musician and you may well have already heard him playing live concerts on BBC Radio's Jazz on Three programme.

The Dave Newton Trio with Andy Panayi and Percy Persglove play Ilminster Arts Centre at the Meeting House this Friday, May 29th at 8pm. Tickets are £16 (pre-show supper £12 at 7pm, must be pre-booked). For more details or to book call 01460 55783 or visit www.themeetinghouse.org.uk

The Alleyways Bridport Antiques Centre

HONITON'S and Portland's loss is Bridport & The Alleyways Bridport Antiques Centre gain.

Lesley Phillips, who has been closely involved with antiques for over fifteen years, owned The Grove Antiques Centre of Honiton that recently closed and we are thrilled to welcome her to The Alleyways. She brings a wealth of experience and beautiful stock to furnish your home.

Last month we were pleased to welcome Frank Designs who have relocated their business from Portland to The Alleyways. Frank Designs, home of the B-Frank Retro Range, a vintage inspired fashion collection. Working

with vintage patterns and contemporary & vintage fabrics, they create off-the-peg garments, with a nostalgic 1950's & 1960's feel. If you love 50's & 60's fashion you'll have to pop in and see this stunning range. If you don't see

the right thing then it can always be made for you.

Other news is that On Reflection's huge assortment of mirrors has grown to now include Art Deco style mirrors and furniture – apparently we are now the biggest stockist of ornate and decorative mirrors in the South West. So, if you're looking for a reflection come down to The Alleyways and you'll be dazzled.

This half term why not come down to The Art & Vintage Quarter on St Michael's Trading Estate here in Bridport and to cap off the holiday week, there's the Bridport Sunday Vintage Market.

Sunday 31st May all the shops in the quarter, The Alleyways and the Red Brick Cafe will be open plus an eclectic mix of more antique and vintage traders with their stalls. The West Country Higgler will be serving his Dorset Coffee and there will be buskers to entertain you. A memorable way to end the Bank Holiday here down on St Michael's Trading Estate, Bridport.

Cane Corner

**ANTIQUE** and Modern Chairs Professionally Reupholstered with Split Cane and Rush.

Our clients are local, national, businesses and private.

Cane Corner was established in 1985, developing from an all consuming hobby, leading to a full time occupation.

Chairs are returned to their former glory, by re-seating them with the materials that they were originally designed to receive. (Often, in the past, correct materials/skills were not readily available).

The work we do includes repairs to chairs, re-gluing rickety frames, polishing and upholstery* as required.

No matter how bad the condition chairs come into the workshop, they leave with a new lease of life!

SPOTLIGHT ON MY SERVICE

Kim Beauchamp Foot Health Practitioner

I moved to Axminster in 2013 and already have a well established mobile foot care clinic, offering a consultation and treatment service for foot health problems. My initial visit includes a full medical history overview, foot health assessment, professional foot advice and treatment.

My aim is to provide my patients with a professional and friendly service ensuring that the highest standards of hygiene are maintained at all times. I work with each patient on a foot health treatment plan to achieve and maintain healthy and pain free feet.

Conditions where treatment and advice is available range from:

- Corns and calluses
- Fungal foot and nail infections
- Verrucae

Kwid: An attractive, innovative and affordable vehicle

▲ Renault reveals the Kwid

THE Kwid overturns established A-segment design cues thanks to a robust, stylish exterior plus a modern, welcoming interior equipped with features normally associated with models from the next segment up.

This eminently modern newcomer features SUV styling and construction, combining generous cabin space with unprecedented features for its segment, while its compact footprint makes it particularly versatile.

Quality interior appointments include a modern Media-Nav navigation/multimedia system complete with large seven-inch touchscreen display and Bluetooth connectivity.

The Kwid combines the comfort and functional user-friendliness of a family city car with a modular interior and a raft of stowage solutions.

Renault has long showcased its ability to develop unique, innovative vehicles designed to meet the specific needs of its international markets.

With the introduction of the Kwid, the brand has gone a step further down the road of designing attractive, affordable vehicles in the small-car segment.

Unique styling, plus features new to the Kwid's segment

The combination of Kwid's great looks, features more readily associated with

higher-end models, a dynamic stance and SUV lines adapted to its compact size make it a unique offering in India's compact city car segment. The brand new 'Out-back Bronze' colour adds a warm, energetic touch. The Kwid is an attractive, modern car, with a spacious, comfortable interior that meets the everyday needs of families.

SUV styling that inspires confidence

The Renault Kwid illustrates the 'Explore' petal of Renault's design strategy, a symbol that stands for dynamic performance, robust strength and a taste for adventure. The Kwid's SUV-inspired design is an innovation in its segment.

Its short front and rear overhangs and high ground clearance (180mm) exude an impression of strength and reliability.

At 3.68 meters long and 1.58 meters wide, Kwid is ideally for zipping about in urban traffic, while its high-up driving position provides greater visibility for more relaxed journeys.

A modern interior

The Kwid's interior carries over the same confidence-inspiring styling as the exterior. Its distinctive appointments suggest status without neglecting everyday needs.

The horizontal, uncluttered lines of the dashboard convey an impression of width and feature the cues associated with higher-end segments.

The digital instruments and chrome air vent surrounds create a modern, high-quality

feel. The dashboard also harmoniously houses the centrally-positioned multimedia system. Designed by Renault Design India, the interior trim is reassuring and status-enhancing.

Features new to the A-mini segment

The Kwid offers a modern, intuitive interior. The piano black centre console comes with a chrome-surround and houses the Media-Nav multimedia/navigation system which comes with a seven-inch (18 cm) display, an unprecedented size for the segment.

The Kwid's connected interior includes technologies that not only meet drivers' needs but also make driving simpler.

The user-friendly Media-Nav system includes the radio and Bluetooth technology for hands-free telephony which contributes to safer driving.

These features correspond to the needs of Indian customers who are looking for status and connected technologies.

Thanks to its specific architecture, the Kwid combines a compact footprint (length: 3.68m) with a spacious interior that sets the standard in its category for all five occupants. The front seats are generously sized and the rear seats are particularly comfortable.

The Kwid has a very spacious boot for a best-in-class load capacity.

Drivers not aware of impending changes to scrapping of driving licence counterpart in June

THE Institute of Advanced Motorists (IAM) is warning people to be aware of the changes that will take effect in just over two weeks' time as the paper counterpart for the driving licence is scrapped.

As was the case with the abolition of the paper tax disc last October, the IAM fear many people are still confused or unaware of the implications of the scrapping of the paper counterpart on 8 June.

The counterpart was introduced alongside the photo card driving licence in 1998 to include details that could not be included on the card itself, such as any endorsements and which category of vehicles you are entitled to drive.

However this information will now be stored electronically and not be shown on any written documentation you will have. These details can be only be obtained via the DVLA driver record system, and be checked online (reference 1) or in writing by post.

As of 8 June the paper counterpart, or an old-style paper driving licence cannot be relied upon to carry correct or up-to-date information about endorsements or categories of vehicle someone can drive.

The counterpart will carry no legal status, and the DVLA recommends you destroy it after 8 June.

What is also changing is the procedure if you have to sur-

render your driving licence to a court in the event of an endorsement. The court will take your photocard and if you include the paper counterpart with your submission, the photocard will be returned to you but the counterpart will not.

You will be expected to pay your fine in the normal way however.

Another change is how to provide proof of your driving record xto an employer or car hire firm, as your photocard or paper licence will not be enough in itself any more.

You will need to access the DVLA's Share Driving Licence service, which as of Tuesday (19 May) is now up and running (reference 1 again).

You will be expected to access the details yourself and print those off for submission to a car hire firm or employer. Or you can call the DVLA and give a third party permission to check your driving record verbally.

If you are hiring a vehicle, it is important to check with the car hire firm beforehand what information they need. Other than downloading the information as detailed above, you can also obtain a special code from www.gov.uk which allows the hire firm access to your record for 72 hours to make the necessary checks. This applies to both holders of photocard and paper licences.

Quality and advanced technology makes another sizeable stride forward in efficiency

THE 'ultra' badge which already marks out the model offering the most exceptional economy and the most scrupulously controlled emissions in five Audi ranges has now reached the A3 compact hatchback. The new A3 and A3 Sportback 1.6 TDI ultra models combine 83mpg capability with emissions of just 89g/km, and form part of an expanded 2016 Model Year A3 line-up that also brings quattro all-wheel-drive within even easier reach of prospective owners. All are available to order now and are expected to reach UK customers in August.

With optimised aerodynamics and advanced lightweight construction that has helped it to tip the scales up to 80kg lighter than its predecessor the A3 provides the perfect foundation for an ultra model. To create the A3 1.6 TDI ultra, the final drive ratio in the standard six-speed manual transmission working with the EU6-compliant 1.6 TDI engine has been modified, lowered sports suspension has been incorporated and special tyres have minimised rolling resistance.

Whether in three-door or five-door Sportback form the new 110PS variant, equipped exclusively with six-speed manual transmission, is capable of covering up to 83.1mpg according to the combined cycle test, equating to CO2 output of just 89g/km. The three-door version needs 10.5 seconds to reach 62mph from rest, closely followed by the Sportback at 10.7 seconds, and both models top out at 124mph.

Even more financially viable

For business users the benefits of even further reduced emissions are reflected in nil rate Vehicle Excise Duty and a drop in BIK band from 17 per cent to 16 per cent, contributing to an annual liability for a 40 per cent taxpayer of £1,331.84, or just over £110 per month.

The remarkably frugal new engine is available in conjunction with SE and SE Technik specification levels incorporating specific adjustments which help to maximise its potential. When the ultra engine is present both options include 16-inch alloy wheels in specific designs, combined with low rolling resistance tyres, and both feature lowered sports suspension to minimise drag. They also share air conditioning, the acclaimed MMI radio with its slim, electrically folding screen, the

Audi Music Interface, a Driver Information System, the Bluetooth mobile phone interface and a multi-function steering wheel.

SE Technik models add SD card-based satellite navigation over and above the SE version's standard navigation preparation, and also gain rear acoustic parking sensors, cruise control and a colour screen for the Driver Information System.

These well stocked equipment lists don't have to be the limit for A3 TDI ultra owners. They can also add features such as xenon or LED headlights, Milano leather upholstery and a technology package incorporating hard disk-based MMI navigation plus, MMI touch for data entry using fingertip 'writing' and Audi connect bringing numerous internet-based services to the car.

Drivers looking to add increased all-weather composure to the formula can also now choose a 1.6 TDI quattro version of the A3 Saloon or the five-door A3 Sportback. The former combines the rapid-acting multi-plate clutch-based all-wheel-drive system with six-speed manual transmission and Sport specification, and the latter with either SE or Sport options. Sport specification adds features such as 17-inch alloy wheels, sports suspension, sports seats with Rallye cloth upholstery, dual-zone electronic climate con-

trol and the Audi drive select adaptive dynamics system.

The most accessible route to quattro drive in the Audi range so far strikes an effective balance between running cost-focused economy and all-weather driveability. The three-door A3 Sportback 1.6 TDI quattro can reach 62mph from rest in 11.2 seconds, continue to 120mph and return up to 60.1mpg according to the combined cycle test, corresponding to CO2 output of 127g/km (with 16-inch wheel).

The popular 2.0-litre TDI 150PS engine which sits on the rung above the enhanced 1.6-litre unit in the TDI line-up is also newly available with quattro drive as part of the 2016 Model Year changes, joining the 2.0-litre TDI 184PS version in offering front-wheel-drive or all-wheel-drive options.

All body styles are available with this new combination, and it can be paired with either Sport or S line specification. In three-door form the new A3 2.0 TDI quattro with 150PS and six-speed manual transmission can accelerate to 62mph in 8.2 seconds and reach a top speed of 133mph. Combined economy is 58.9mpg with the 17-inch wheel that forms part of the Sport specification, or 57.6mpg with the range-topping 18-inch S line wheel, resulting in CO2 outputs of 125g/km and 127g/km respectively.

Somerset up and running with first victory

Perrott Academy shot out for 39 – but first team return to top spot

LOCAL CRICKET NEWS

LV COUNTY CHAMPIONSHIP Nottinghamshire v Somerset (at Trent Bridge)

SOMERSET put a disappointing start to their four-day season behind them to beat host Nottinghamshire inside three days in bowlers friendly conditions at Trent Bridge.

Somerset went into day three nursing an 86-run lead from the first innings but were faced by overcast skies and seamer friendly conditions. They slipped to 26 for 4 and 59 for 6 and a fifth consecutive defeat was looming large.

But number 11 Tim Goenenwald proceeded to club a quick fire 21 as the final three wickets mustered a crucial 75 runs in a total of 161 to swing the momentum back to the west Countrymen.

Facing a target of 247 for victory the Notts batsmen came across a Somerset bowling unit that produced its best display of the season, back up by some fine fielding including three slip catches – one a stunner – from skipper Marcus Trescothick.

Goenenwald finished with 4 for 41 and the two wickets apiece for Craig Overton (2 for 29), Lewis Gregory (2 for 27) and Jim Allenby (2 for 13) as the hosts were rolled over for 114 in the 36th over.

Result: Somerset 312 (J.Allenby 64, C.Overton 55, J.Nyburgh 49, P.Trego 41, V.Philander 4 for 56) & 161 beat Nottinghamshire 226 (S.Parel 56; C.Overton 4 for 40) & 114 (T.Goenenwald 4 for 41) by 133 runs. Somerset 22pts Notts 4pts.

NAT-WEST T20

Somerset v Gloucestershire (Friday, May 21st)

SOMERSET'S T20 campaign got underway with a hard-fought five-run defeat at the hands of the Sussex Sharks at the County Ground on Friday evening.

After opting to bat first the Sharks posted 175 for 6 with Luke Wright top-scoring with 49. Jamie Overton (2 for 33) was the most successful of the home attack with Max Waller (0 for 20) the most economical.

The Somerset chase appeared to on course at 78 for 1 in the ninth over, but five wickets then fell for just 18 runs and they ended up five runs short with opener Jim Allenby top-scoring with 79 before being run out off the last ball of the match.

WEPL

ILMINSTER 1st XI remain in the bottom two in the Premier Division table after a heavy 160-run home defeat by Bridgwater.

Stand-in skipper Louis Kraucamp opted to field first after winning the toss. Wickets for Harry Montacute and Richard Elsworth had the visitors at 79 for 3 but they continued to score steadily closing on 256 for 8 from their 50 overs.

The pick of the home attack were Elsworth (4 for 48) and Montacute (3 for 32).

In reply Ilminster lost their premier batsman Kraucamp without a run on the board and were in trouble from there on in.

At 68 for 6 Elsworth (22) and Josh Lee (6) staged a mini-fightback with a 26-run stand but once the former was trapped in front the innings tailed off and Ilminster were shot out for 96 midway through the 37th over. Ilminster 4pts Bridgwater 22pts

In Premier Two there was an entertaining encounter at Gypsy Lane where CHARD 1st XI went down by five wickets against hosts Taunton CC.

Chard opted to bat first and openers Tim Wighton (45) and Reid Mawdesley (9) put on 59 for the first wicket before they slipped to 109 for 3.

But good middle order knocks from Tom Wright (70) and Scott Wells-Burr (41) helped them up to 246 for 6 from their 50-over allocation.

Wells-Burr struck early with the ball to clean bowl Charles Clist for 2 and it was 18 for 1.

But a 168-run second wickets stand between centurion Marcus Harris (102) and skipper Jack Cooper (67) broke the Chard resistance and the hosts went to reach their target with 25 balls to spare. Taunton 20pts Chard 7pts

There was better news from the

Somerset Division where new boys NORTH PERROTT returned to the top of the table with a 22-point haul after defeating visiting Bishops Lydeard by six wickets.

The visitors opted for first use of the Willis Lane track but skipper Justin Hayward was snapped up by Jason Bond off Will Ireland for a duck without a run on the board.

However, a stubborn 138-run stand for the second wicket between Steve Doheny (108) and Andy Sapey (53) saw the Bishops recover to 139 for 1 so their eventual total of 227 for 8 will have been more than acceptable Perrott skipper Gordon Whorlow and his team.

The hosts were in trouble at 7 for 2 with Alex Eckland and Josh Marshall-James both back in the hutch with ducks to their name.

But this brought Aussie Brett Johnson to the crease to join Whorlow and pair more than repaired the early damage with a 150-run 3rd wicket stand.

They were eventually parted when Johnson was dismissed for a fine 77-ball 82 which included 10 4s and a six. Whorlow went on to compile a gutsy 74 before being run-out but George Johnson (37no) and Jason Bond (20no) saw the hosts over the line in the 45th over. North Perrott 22pts Bishops Lydeard 7pts.

Meanwhile, a useful 40 from opening bat Liam Carrison couldn't save Chard CHARD 2nds from a six-wicket reverse at home against Winterbourne.

Chard could only muster 143 all out the visitors cruised to victory in the 29th over with six wickets in hand. Chard 2nds 4pts Winterborne 20pts.

Down in the Bristol & Somerset 2nd XI Division ILMINSTER 2nds (60 for 1) raced to a victory target of 59 for the loss of just one wicket in 13 and half overs at Wembdon (58 all out).

Sam Grinter (4 for 9) and Lewis Williams (3 for 12) did most damage with the ball for Ilminster while Chris May's unbeaten 39 saw them charter to victory. Wembdon Opts Ilminster 2nds 21pts

County glory for Merriott under 16s

Merriott Youth 1
Timsbury Athletic 1
(Merriott won 6-5 on pens)
MERRIOTT Wanderers lifted the prestigious U16 Somerset County Shield after a hard fought game against Timsbury Athletic at Street's Tannery Ground after the show-piece final was decided on penalties.

Scott Jakeman gave the South Somerset side an early advantage when slotted home past in the 5th minute, but the Bath-based side deservedly equalised when Nathan Cridge struck past Sam Grinter in the Merriott goal ten minutes later.

Timsbury should have gone in at the break ahead but for the interventions of Grinter who showed great

reflexes and assured handling in keeping his side level at half time.

The second half proved a bad tempered affair with four yellow cards and, with the game still at 1-1 going into extra time, Timsbury were reduced to 10 men

when striker Rico Sobers was sent off for violent conduct.

But the teams couldn't be split and it was Grinter who was again the hero for Merriott when he parried the first penalty in the shootout. At sudden

death, the unfortunate Ebner Heatley blazed over giving Merriott the trophy. Merriott: Grinter, Walton, Harvey (capt), Eckland, Lacey, Gillman, Manley, Tanner, Thorne, Steer, Jakeman, Williams, Hayward, Titchener.

Millwey grace St James' Park

MILLWEY Rise FC Under 9 and Under 10 teams travelled to Exeter City's St James Park Ground recently to compete in Exeter & District Youth League Cup finals.

Unfortunately, despite battling hard the Under 9s came up short losing 3-1 to Sidmouth Warriors, with Louis Newcombe getting the Millwey goal.

But there were better fortunes for the Under 10s who won their final 2-1 against Whipton Youth. Ben Fox and Mason Doble scoring the all important goals.

◆ **RUNNERS-UP:** The under 9s with coaches Jamie Froom and Darren Clarke.

◆ **CHAMPIONS:** Millwey Rise Under 10s celebrate their 2-1 victory over Whipton Youth, with captain for the day Arron Conway lifting the Exeter & District League cup.

County cup success for Crewkerne and Barrington

Crewkerne Town 1 Pen Mill 1

SOMERSET JUNIOR CUP FINAL

Tuesday, May 19th - at Street FC
 A HARD-working display from Dave John was rewarded when the experienced striker's lucky 13th goal of the season saw Crewkerne Town to their first ever Somerset Junior Cup final triumph.

The Tigers started the game, played in front of a crowd of 294, well and created several early chances before breaking

the deadlock on the half-hour.

Skipper Jason Manley launched a free-kick to Pete Symes who rose well to nod the ball across the face of the goal to midfielder Adam Dawe who prodded home his 24th goal of an excellent season.

But the lead didn't last long. Pen Mill, who finished runners-up in the Yeovil & District Premier Division, equalised when Crewkerne keeper Matt Bisgrove's punch from a corner kick failed to clear the box and was drilled back past him into the net via a couple of deflections on the way.

However, Joint-manager Bisgrove atoned just before half-time with a magnificent finger-tip save.

What proved to be the winner came soon after the interval. Ben Laver won possession with a blockbusting tackle and set Liam Riste free - the former Perry Street front man then teed up John who slotted home.

Crewkerne went in search of more goals but were thwarted by some fine goalkeeping by Jamie Cross.

They then weathered the expected

The county honour fittingly brings the curtain down on a magnificent season for the Tigers who also retained their Perry Street & District League title by eight points and also lifted the Challenge Cup.

◆ Crewkerne have appointed 279-goal striker Paul Gold and Reece Gibson as new joint-managers of their Reserve team.

The pair, who were appointed at the Club's AGM on Wednesday evening, succeed Anth Godwin who led the team to 3rd place in the PSDL Division Two last season.

Barrington 4 Westonzoyland 0

SOMERSET INTERMEDIATE CUP FINAL

Wednesday, May 20th - at Street FC
 A FOUR-goal first half surge saw Barrington complete a PSDL County Cup

double at Street on Wednesday evening.

Opponents' Westonzoyland were stunned when Sid Brown's side took the lead through defender Luke Woodard with just 35 seconds on the clock.

Barrington were then indebted to a fine save from-keeper-captain Mark Cullen who tipped a goal-bound shot up onto the crossbar. The resulting corner kick was bundled home but the referee had spotted a foul on Cullen and the 'goal' was ruled out.

Barrington doubled their lead when Andy Whitefield was fouled in the area. Whitefield dusted himself down to take the penalty but keeper Chris Mullins pulled off a fine save only to see Whitefield tuck away the rebound.

Two goals in a minute then made the second-half a mere formality. The prolific Whitefield then made it 3-0 with his 53rd goal of the campaign and was swiftly followed by Tom Perry who rounded off the scoring.

The second 45 saw Westonzoyland have a player sent off for two yellow cards and Whitefield go close to com-

pleting his 11th hat-trick of the season.

The victory saw Barrington become the first PSDL winners for 13 years as they lifted the trophy for the 3rd time (previously 1938-39 & 1952-53) in their history.

The team have now completed a perfect season of 31 wins from 31 matches with the Division one league title won by a colossal 16 points and also hoist the Arthur Gage Cup and Division One League Cup.
